

# CHICKEN TOSTADAS

8 tortillas  
olive oil for frying  
3 cups cooked chicken

1 ½ t. chili powder or taco seasoning  
Toppings for tostadas: tomatoes, lettuce,  
grated cheddar cheese, olives, salsa, sour cream

Warm chicken in skillet and toss with chili powder or taco seasoning. In another skillet (I use a cast iron skillet for this), heat olive oil (about 5 T. or enough to cover tortilla). Place one tortilla at a time in oil, turning after 1-2 minutes. Once the tortilla is turning crisp, place on a paper towel and fry the remaining tortillas, adding more oil as needed. Serve warm tortillas with chicken and all the toppings.

\*Serve with watermelon or cantaloupe.
